The Lens 1959

Maine Township High School

Des Plaines and Park Ridge, Illinois

Foreword

Maine means something different to each of us. To the freshman she is becoming at last familiar: Strange halls, myriads of stairways, pushing pedestrians, a colorful eyeful that now seems home. The thrill of the first Homecoming and the cheers of fans at sports' rallies all leave their influence on the freshman. The sophomore is happy—he can look down at someone. He drinks deeply of the privileges which he is now offered and glows in the proud feeling of really belonging. Maine is no longer strange or mystic. The sophomore is proud —he knows his way around. The junior wistfully looks back, and then turns ahead. His mind is filled with thoughts of how wonderful it will be to be a senior. But there are many activities to keep his attention on the present. The whole school turns its eyes upon the juniors during Election Week. From this proud class a new council president will be chosen, and a new era in Maine politics will begin. The junior gloats in his near superiority over the school, and waits patiently until at last he is a senior. The senior's watch word is activity. Already he is impatient and looking out and forward. The senior wonders how it could have all gone so fast, those four long school years. He values highly what Maine has taught him and looks forward to putting his knowledge to work, in a job or at college. Maine has meant a lot, and always will, to those who have walked her corridors.

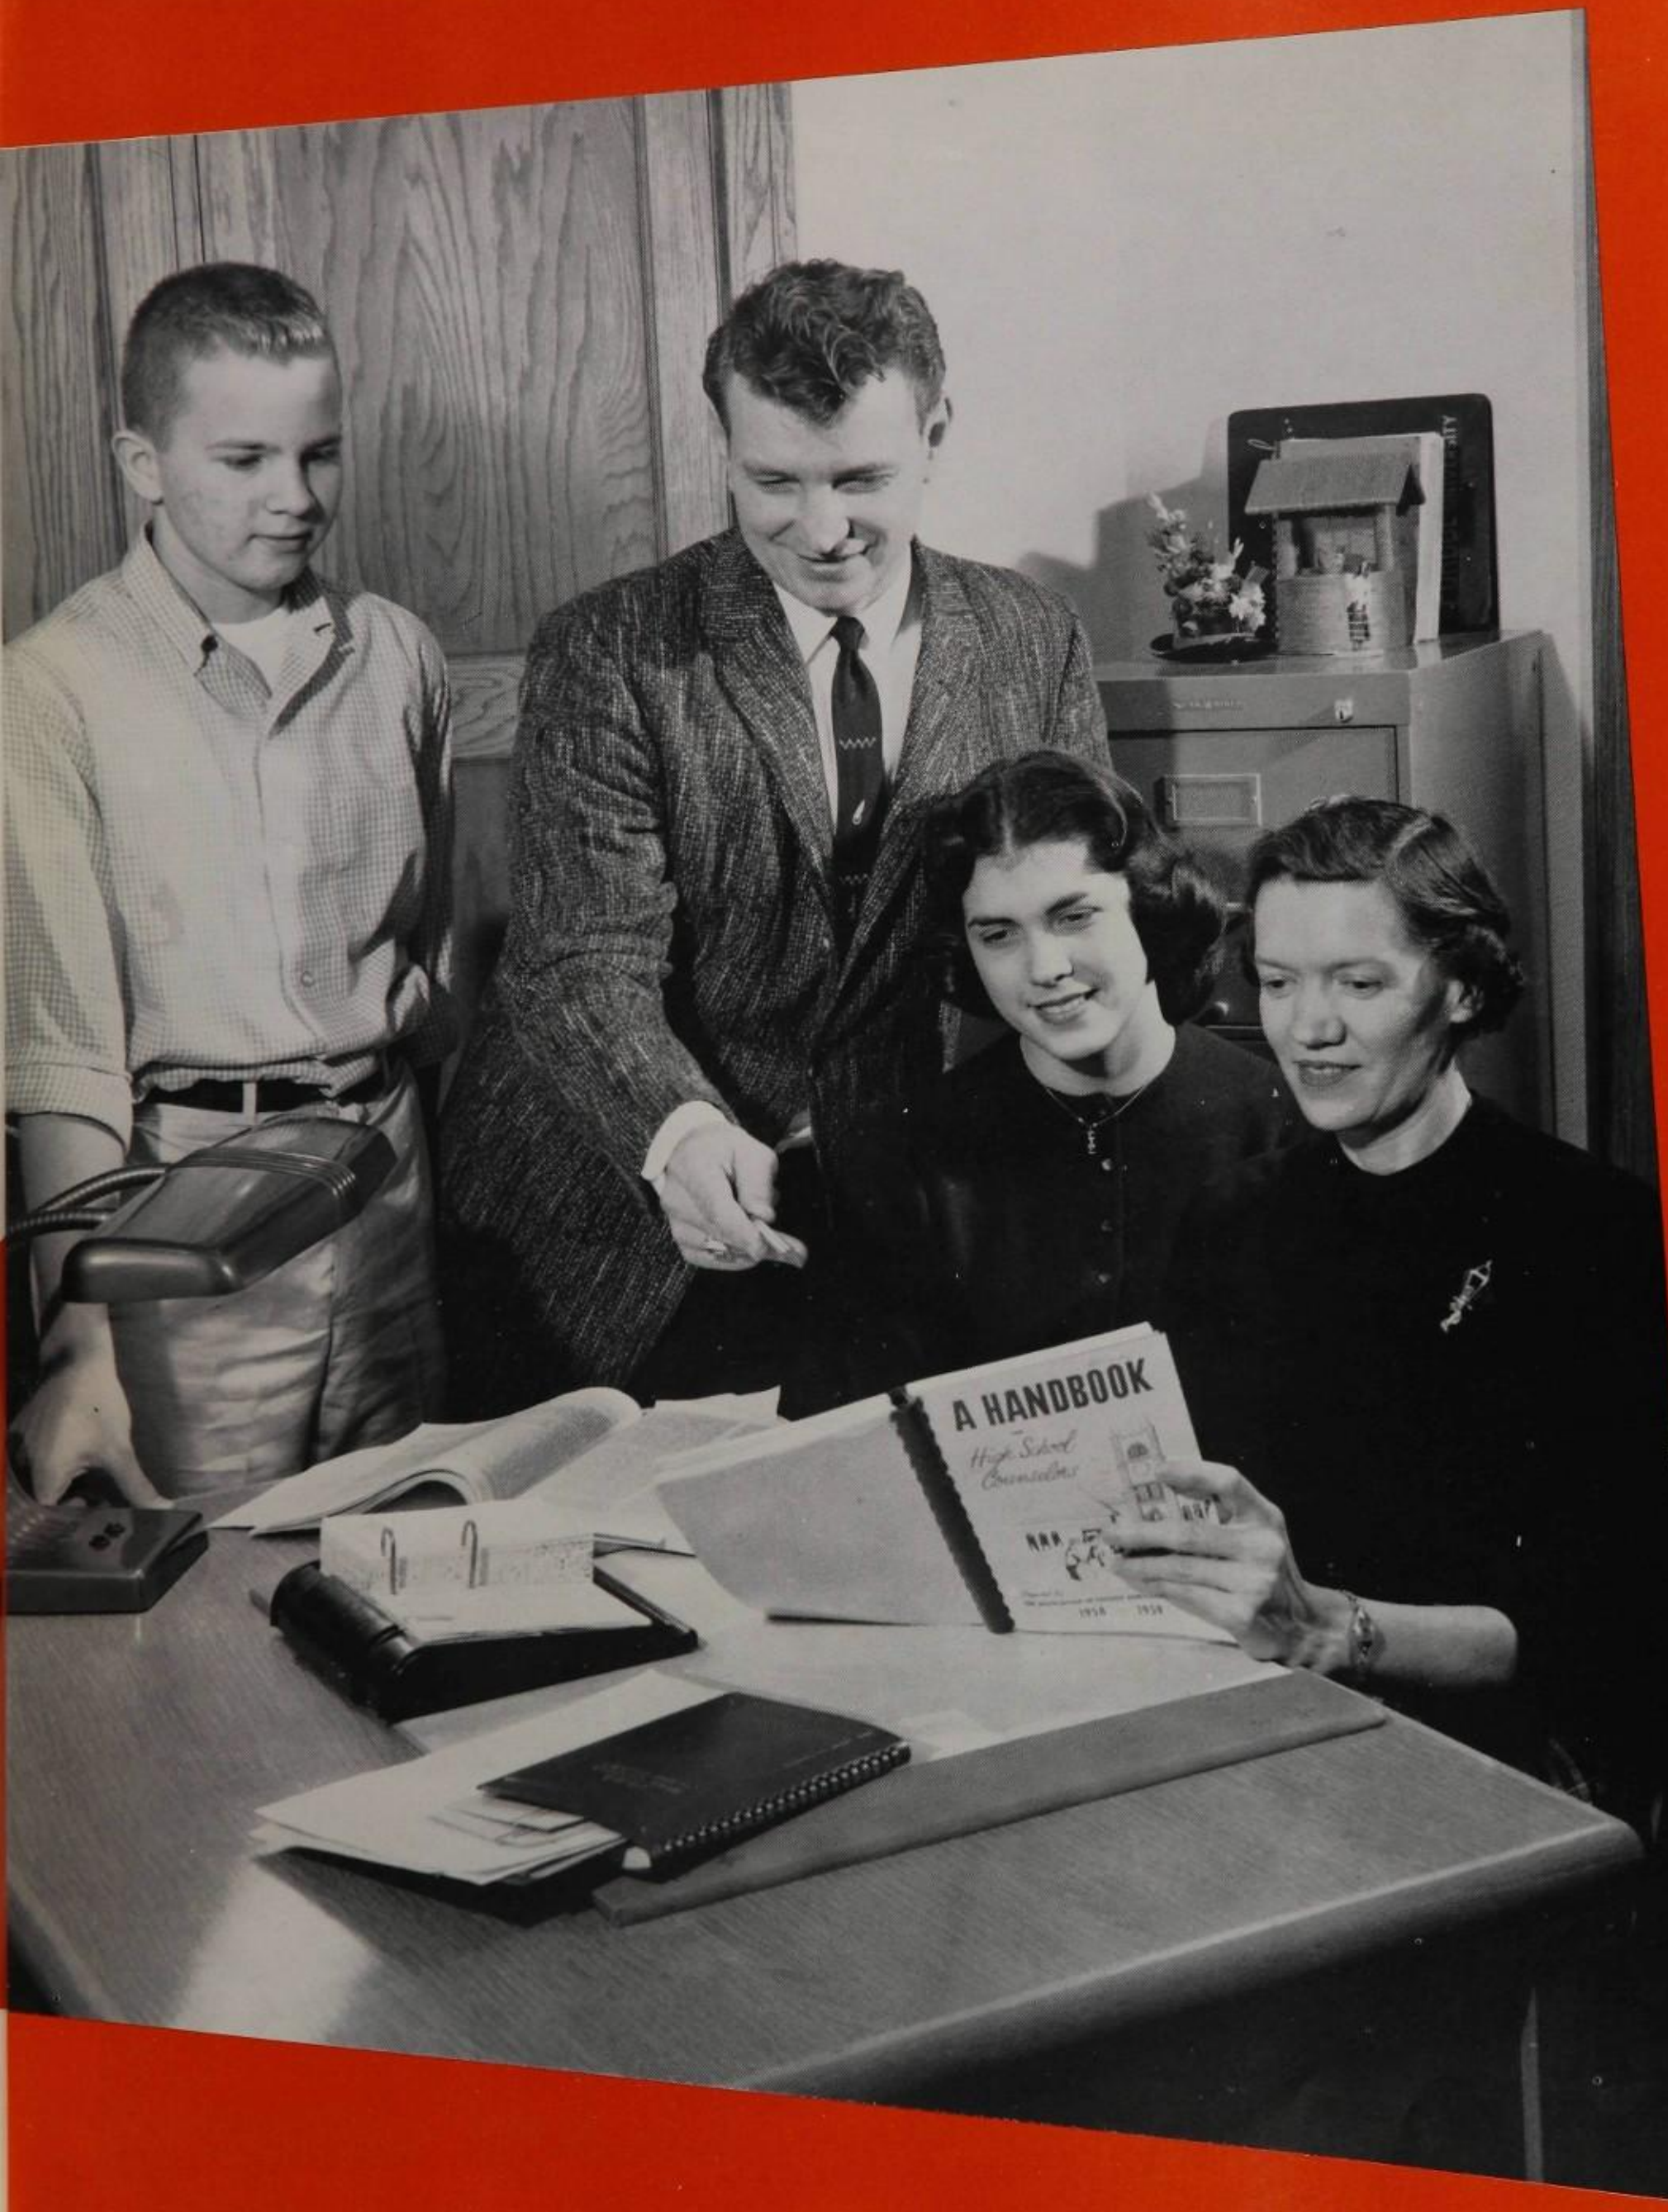
Administration



A HANDBOOK
High School
Counselor

HARRY D. ANDERSON
Superintendent 1949-1959

We Dedicate

this book to

an administrator

a scholar

an educator

a great senior citizen

An institution is the lengthened shadow of one man.
—EMERSON

It is with sincere appreciation and great pleasure that we dedicate the 1959 Lens to Mr. Harry D. Anderson in recognition of 10 years of devoted service to the school and the community.

Mr. Anderson plans to retire about September 1, after 48 years as teacher and administrator in Illinois public schools. Mr. and Mrs. Anderson have recently purchased a house at Fairhope, Alabama, where they plan to make their home.

Administrators

DR. E. F. STOLTE
Assistant Superintendent

R. J. FROST
Administrative Assistant

Dr. Stolte is a keen observer of the student scene. His decisions are motivated by the needs of the greatest number of students. Always he must balance the ideal with the practical. Anyone with a problem has found sympathetic counsel in Dr. Stolte.

No administrator is more cognizant of Maine's development over the past 20 years than Mr. Frost. As teacher and dean, Mr. Frost has influenced the educational development of thousands of Maine alumni. In his contacts with both students and faculty, he exemplifies the integrity, courtesy, and insight which are the marks of the cultured educator.

Board of Education

Henry G. Doemland
PRESIDENT

The township has placed the final responsibility for the formal education of its youth in these men. No civic authority renders more vital service to any community than the BOARD OF EDUCATION.

The $6,800,000 west Maine school is being brought to completion as a result of many extra hours spent by the Board in ironing out the hundreds of difficulties any one of which could result in months of delay in making these additional classrooms available.

MR. MILO S. JOHNSTON
Director of Student Personnel

Mr. Johnston coordinates the work of the deans and the attendance office and is the last word on all matters pertaining to student activities, both academic and social.

Under the expert guidance of one of the eight deans, a student can make a wise educational or vocational choice. This is the first time in Maine's history that there have been two deans for each class, making it possible for more personal contact in helping students to adjust to their future lives.

MAINE VARSITY WINS 6 OUT OF 7; FINISHES 2nd

The varsity Demons, under head coach Ken Olson, battled their way to second place in the West Suburban Conference by winning six out of their seven conference games. Coach Olson and assistants Carstens, Hotchkiss, Schaff, Schildgen, Smith, and Zuccarini put together a formidable team featuring a hard charging line and a fleet-footed backfield. The squad was bolstered by returning lettermen Dell Pendergrast, Geoff Miller, Paul Janeke, Bob Neuman, Lloyd Wood, and Ed Leinss.

Although the opening game was a tough 14 to 13 loss to non-conference Evanston, the Demons bounced back in the conference opener against York. Utilizing the running ability of Bob Neuman and Lloyd Wood, and a stern defense, York was blanked 20 to 0. Next on the schedule was LaGrange, destined to become undefeated conference champions. The Lyon's eleven scored twice in the early stages, and then were contained by the stubborn Demon defense. But the varsity boys could not match either of LaGrange's early touchdowns, and the final score was 12-0.

Downers Grove fell to the Mainites 24 to 14, and Glenbard was clouted 46-12 before a jubilant Maine homecoming crowd. In a close, hard fought game at Arlington, the Demons downed the Cardinals 19 to 13. Riverside-Brookfield was next in line for the Demon's potent squad, and the Maine eleven fashioned a 25-14 victory.

The final contest featured the Red Devils of Hinsdale, but the Devils proved to be no match and the Demons closed the season with a five-game winning streak. Junior lettermen who will return to next year's squad are Doug Schmidt, John McSwaney, Ken Markowski, Bill Spyrison, Dick Smith, Ron Martin, Bob Nemeth, Dan Nehlsen, Bill Wagner, Ed Swanson, and Ray Peterson.

Seniors Bob Neuman and Geoff Miller were named to the All-State Team. Dell Pendergrast, Jim Moller, Bob Neuman, and Geoff Miller were named to the All-Conference Squad. At the fall sports banquet Neuman was voted Most Valuable Player, and Pendergrast was voted Honorary Captain.

The varsity Cross Country team completed this season with a 4 won, 2 lost, 1 tied conference record. Coach Calisch's runners defeated Lyons, Downers, Riverside, Hinsdale, and non-conference Evanston, tied York, and lost to Glenbard and Arlington. Juniors Jurco, Romes, Johnson, and Podlesnik will return to bolster next season's team. This year's Varsity basketball squad was one of the most successful in Maine's history. Coach Bernie Brady's cagers completed their conference schedule with an 11 won, 3 lost record, good enough for a second place in the tough West Suburban Conference. Seniors Tom Gebbie, Tom Mahon, Rich Peterson, Bill White, and junior George Verber made up the starting five. This quintet was strongly supported by Hal Porter, Bud Hamilton, Ron Osborne, Bob Himel, and Doug Schmidt.

The season's opening game proved fairly easy for the Demons as they downed Crystal Lake 83-49. The Evanston squad, however, was too strong, and Maine lost 64-60 after a hard fought game. New Trier fell to Maine's attack 48-39, but in the conference opener at York, the Demons were defeated by a single point, 47-46. After the York encounter, the squad improved steadily and put together an eight-game conference winning streak, highlighted by a 59-55 overtime victory against highly-rated Hinsdale. Downers Grove stopped us with a shocking 58-56 win, but the Demons recovered quickly, and rolled over Arlington and Riverside-Brookfield.

In the regular season's final game, sharp shooting Hinsdale defeated Maine 86-60 to take the conference crown. Returning to next year's squad will be George Verber, Bud Hamilton, Doug Schmidt, John McSwaney, and Chuck Reid.

First place in the West Suburban Conference and the State Championship mark the 1958 baseball squad as Maine's finest ever. Under coaches Al Carstens and Vic Giovininni the Demons won the state title by defeating Niles Township 3-2 in extra innings. The '58 team brought back the first state baseball championship ever won by a Maine team, and two members of that team went on to sign professional baseball contracts after their graduation.

The 1959 team, with Jim Humay, Bill White, Ted Pohl, John Hamman, Rich Peterson, Bill Wagner, and Barry Brune returning from last year give every indication of being the team to beat.

The varsity swimming team won 11 meets while losing only one. Under Coach Harold Baer, this year's squad was one of the finest in Maine's history. Coach Baer centered his team around returning lettermen Joe Sommer, Jim Highland, Paul Wedeking, Jim Schlichting, Dick Olsen, and Mel Snodgress.

Joe Sommer, undefeated butterfly swimmer, and free-styler Jim Highland each set pool records in their respective events. Sommer also set a school record in the 150-yd. medley relay, and Gary Coxon broke the school record for the 100-yd. breast stroke. The Medley relay team of Jim Wildblood, Pete Benda, Joe Sommer, and Jim Highland, as well as the freestyle relay team of Jim Radlein, Mel Snodgress, Dick Olsen, and Jim Highland each broke pool records.

The highlight of the season was the 46-40 win over powerful New Trier, who had always dominated meets with the Demons in previous years. Highland Park and West Rockford also fell to the Maine squad in close contests. Lettermen returning next year are Olsen, Snodgress, Winter, Wildblood, Coxon, Benda, Culver, Russell, and Hopkins.

FRESHMEN

Early last September we entered Maine as green freshmen. Some of us were shy and frightened—some of us couldn't find our class rooms—lockers wouldn't open for our inexperienced hands; and to add to our dilema the buses just wouldn't wait for us.

We gained much, both as individuals and as a class. We studied hard as well as taking part in many school activities.

We realize we were awkward when we entered Maine, but now as we finish our first year, we feel that we belong. We will be happy next year when we can try and sell an elevator pass to some "frosh."

Our goal has been achieved. We are sophomores! Being able to say, "Hey, Frosh!" has delighted us all year. We are proud of ourselves for our class has excelled in many things. The athletic teams have done well, particularly the sophomore cross country team, winning first in the West Suburban Conference! With the help of our sponsors, the class officers have given outstanding leadership. They have shown those qualities which are necessary to lead a class as large as ours. What fun we've had at the Sophomore Class parties, the Harvest Hoedown and the P.T.C. party.

Our time has not been completely devoted to extracurricular activities but has been spent on our studies, too.

Now we are ready to become juniors with new goals and new experiences!!

This year was one of great memories for our class. We got a flying start with the triumph of our homecoming float, "To Have and to Hold." Our first class party came and went in a brilliant flare with its Sadie Hawkins' Day theme and tremendous floor show. Our new class paper, "Maine-ly '60," fulfilled, exceedingly well, its purpose as an outlet for class ideas and news. The picturesque P.T.C. Party and the thrill of celebrating the end of winter with a gay spring party were also among the year's notable events. The planning and organization done by our class officers under the direction of our sponsors, Mr. Demorest and Mrs. Baas, has been a major factor in making our class great. The high point of a perfect year came at the Junior Class Prom, our most important dance of the year. Frantic preparation, corsages, bright decorations, and after the dance that wonderful time at your favorite night spot. We can look back on this year with fond remembrance at the things we've done, the places we've been, the gay times we've seen, as a class that Maine can be proud of.
